italki what is the meaning of over to you

Nov 10 2022

Person A absolutely over to you. It can also form part of a longer sentence and in this case, it usually means the same as to you. The word over is sort of redundant. For example, person A: Hi, do you have the documents that you promised to send me? Person B: Oh sorry, I forgot to send them. I will send them over to you immediately.
